PROFESSIONAL SUMMARY

Economics major at Pennsylvania State University (expected graduation Fall 2026) and Marine Corps veteran. Operate a creative studio of about 30 people and support overseas marketing for a major Korean fitness brand. Strong in content creation, competitor research, and turning customer insight into campaign and event ideas. Comfortable with digital tools, spreadsheets, and Korean–English communication.

EDUCATION

The Pennsylvania State University — University Park, PA Expected Graduation: Fall 2026
B.A. in Economics
Relevant Coursework: Business Writing, Marketing Research Projects, International Economics, Statistics, Media and Society

RELEVANT EXPERIENCE

- IC (Infinite Challenge) — Creative Venture Studio | Founder & Lead** Dec. 2025–Present
- Lead a studio of about 30 people and oversee video, design, and written content creation, growing it into a formal company; completed 20+ challenges and 5 projects.
 - Produced content for students and Gen Z — including a skydiving event filmed end-to-end and documented through a website portfolio — reaching 20,000+ total views and 300 Instagram followers.
 - Coordinate roles across planning, production, and delivery; manage multiple projects on schedule.
- SpoAny — Major Korean Fitness Brand | Overseas Manager (Freelance) | Remote** May 2025–Present
- Researched 5 competitor fitness centers within a 2 km radius — pricing, promotions, facilities, crowd density, gender/age ratios, and equipment usage — organized into actionable business insights.
 - Compared Korean and U.S. fitness markets; identified factors driving new sign-ups and member retention.
 - Support overseas communication between the Korean headquarters and the U.S. side.
- Independent App & Product Projects | State College, PA** 2025–Present
- Built and shipped KeyGlo, a Korean–English translation iOS keyboard app, single-handedly from planning and design to development; iterating with feedback from 7 beta testers.
 - Prototyped student app concepts centered on events, community, and translation in Figma.
- Republic of Korea Marine Corps | Sergeant (Honorable Discharge)** Mar. 2023–Sep. 2024
- Served 18 months in the 2nd Marine Division in reconnaissance and infantry roles; honorably discharged at the rank of Sergeant.
 - Executed assigned duties accurately under deadlines and pressure in a high-responsibility, team-based environment.

KEY PROJECTS

- Fitness Market Competitive Analysis** — Researched local fitness centers' prices, promotions, facilities, and peak-time traffic; organized findings into practical proposals.
- Student Event & Community Platform Concept** — Designed an event discovery and matching service centered on user verification, ratings, and community trust.
- KeyGlo (AI Translation Keyboard)** — Planned and developed a Korean–English translation keyboard for international students and Korean–English users.
